

Dear Harold,

Thanks for your 10/11/84 your letter to Paul on FOIA responsibility is a philosophy that I share 100%, and you expressed it very eloquently. I understand better from your 10/11/84 what you mean about Ray's personality.

Do you know anything about the enclosed FBI memo from CIA about a "suspect"?

I have no other paper on this. What is this about?

Best Regards, Phil

Excuse my haste, I am off on a vacation for a day or two, then we host a family reunion.
